Conditions of Entry

Bonanza tournaments are aimed at social players who play for fun but would like a chance to play competitively against different people, and low to medium level league players looking for increased competition. They are also aimed at players with little or no playing experience outside their club or school environment. Bonanza tournaments are also a useful stepping-stone to county organised open tournaments for players who wish to advance to a higher competitive level.

1. Players who have represented their county at any time in the Inter-County Championship (ICC), or have been a member of any National Squad in any country are not eligible to compete in the Yehlex Bonanza. Players within an adult Yehlex Bonanza must be 16 or over on the date of the tournament.
2. The junior events are open to players of Bronze standard, or below. Silver or Gold standard players are not eligible.
3. Players within the junior events must qualify for one of the following three categories, **U11 U13 and U15**. Players eligible to compete in the U11 category must be born on or after 1st January 1996. Players eligible to compete in the U13 category must be born on or after 1st January 1994. Players eligible to compete in the U15 category must be born on or after 1st January 1992. Players may enter an event in one age group only. Please check with the tournament secretary should you have any questions on the age restrictions.
4. Players who have played league badminton are not eligible to enter any social category events.
5. Both players in a doubles event must submit an entry form with the appropriate fees (photocopies will be accepted). Players entering 'partner wanted' will be paired if a partner and places are available.
6. The Referee reserves the right not to hold an event if insufficient entries are received and to limit numbers. Please arrive and be ready to play in your event at least half an hour before the scheduled start time.
7. There is a limit to how many players can be accepted to play within each event. If one or more of your entered events is oversubscribed the date of entry received will be taken into account.
8. You will be notified at the latest by the Monday prior to the event if your entry has not been accepted due to over subscription or insufficient entries. If no notification has been received by this date please contact Bob Reed by telephone or email.
9. All events will be played in groups with winners going through to a knockout stage. If there is only one group, no knockout stage will be played.
10. Yehlex feathered shuttlecocks will be used.
11. Unless stated, all events shall be one game to 21 points.
12. Entries must be submitted by the closing date with the correct entry fee to the secretary listed. Cheques or postal orders must be made payable to 'BCBA'. Please do not post cash. **A stamped addressed envelope is required to receive your start time(s).**
13. The order of play and start times may be changed at the discretion of the tournament Referee. Their decision in all matters is final.
